

Veterans Home - Chippewa Falls

12.15.2022 Veterans Home Family Updates:

Dear Family and Friends of the Veterans Home at Chippewa Falls,

New COVID-19 cases since our last update: two members and one team member. The team member was not at the Veterans Home for a week and thus no further exposures.

Accounting for all COVID-19 recoveries, currently we have 5 active cases of COVID-19 (one team member, four members).

Visitors are still being welcomed to all households; however, please be aware of the risks of visiting during an outbreak - especially in household B. Masks continue to be necessary due to the High COVID Community Transmission levels & current outbreak status. KN95 and N95 masks are available at the front desk if you would like to wear those. Please consider telephone or virtual visits if you are more comfortable with connecting from afar. Connect with the Life Enrichment Team if you would like to schedule a virtual visit.

We continue to encourage social distancing, mask use, and will continue to test members and team members frequently to quickly identify any additional cases and additionally enhance cleaning measures.

If you are not feeling well, please do not visit until you have taken a COVID-19 test and have fully recovered from your symptoms. If you do test positive after recently visiting the Veterans Home, please alert us so we can take proper precautions for your loved one and the other members & team members at the Veterans Home.

Please let us know if you have questions. Please let us know if you have questions! Thank you for your commitment to the health and safety of everyone at our Home.

Sincerely,

Katie Plendl
